

Emmanuelle Chriqui

You know the beautiful and talented Emmanuelle Chriqui from "You Don't Mess With The Zohan," "The Mentalist" and "Entourage."

To the brave men and women of the U.S. military:

I thank you from the bottom of my heart for your selfless acts of courage and strength you put forth every day.

There are no words to express my gratitude, or even begin to know what it's like to be away from your loved ones and family so that we can be free to live our lives and our dreams.

Though I am born Canadian, I have been living in Los Angeles for the past 13 years and truly consider it my home.

In an industry where the media puts such importance on where we go shopping, or what we eat or whom we are dating or any other mundane thing – be assured that I and most others know who the real stars are. They are YOU!!!!

I wish you a successful tour of duty, and pray you come home safe and sound. God bless you and all your loved ones.

With deepest love, admiration and gratitude,
Emmanuelle Chriqui
